Activity(ies) Policy

Please let us know at the time of booking if you are interested in participating in any of our activities. We cannot confirm or take pre-payment for the Himba Excursion or any of the water activities. The Himba's are Nomadic by culture and from time to time they may be away from their village visiting with family at other villages. When we know that there is a request for the Himba Excursion, we will go to the village and make arrangements with the Headman. If the family that we always use is not available we will try to get another family to present their culture and lifestyle to you.

All water activities are subject to water levels, including the Sundowner Boat Cruise. If the water levels are too low, we will not be able to offer these activities. Regrettably we do not control the water levels and cannot guarantee that it will be available during the time of your stay. If we are informed in advance of your interest the lodge will be better prepared to assist in providing you with the best possible experience.
